### Words of Wisdom

“True prayer is an approach of the soul by the Spirit of God to the throne of God. It is not the utterance of words; it is not alone the feeling of desires; but it is the advance of the desires to God, the spiritual approach of our nature towards the Lord our God. True prayer is neither a mere mental exercise nor a vocal performance. It is far deeper than that. It is spiritual commerce with the creator of heaven and earth.”

Charles Spurgeon from his sermon on Hebrews 4:16
